- Preregistration is required for all Markets.
- Payment is by check or money order payable to CCA.

No cash please.

- Payments can be left in the vendor drop box on the front porch of CCA or mailed to Alex Hubb, 3015 Ridge Road, Chincoteague, VA 23336.

ELIGIBILITY

- Vendors at all CCA Markets are required to sell products they grow, raise, catch, or make.
- Farm vendors are allowed to sell products from other sources, but at least 50% of your entire booth's products must be direct from your farm at all times. Additional products can be from farms within 100 miles.
- Art and artisanal crafts and products made by the vendor may be made from manufactured materials provided that a substantial part of its value is from the crafting of the vendor or the vendor's family.
- Vendors may also sell antiques, collectibles, and used household items and business goods.
- Not permitted: 1) sales representatives for products or services not vendor created or finished, and 2) purchased wholesale goods.
- Because we want to have diverse and full Markets, CCA reserves the right to turn down new applicants if the products they propose to sell are already in abundant supply at the Market. The applicant will be put on a waiting list for possible openings.

REQUIREMENTS

- CCA Market vendors are NOT required to have a Chincoteague business license.
- Virginia state law requires vendors to collect Retail Sales and Use Tax. For information visit: www.tax.virginia.gov/retail-sales-and-use-tax.

MARKET POLICIES

CCA Responsibilities

- CCA will have a Market Manager or Assistant on site at all times.

(See other side)

- CCA will provide a portable restroom and free parking for vendors in a designated area.
- CCA will utilize print, radio, social media and local signage to promote the Markets.

Vendor Responsibilities

- Please label your items with some form of contact info. for patrons (e.g. your email, phone #, social media).
- Vendors will handle their own sales transactions.
- Artful Flea and Holly Day vendors, please display your pre-printed assigned vendor number cards: #1 on site and #2 in vehicle.
- Tables, chairs, canopies are not provided. Tables are available for rent from CCA. Canopies are available for rent locally. Rented tables will be set up and picked up by CCA volunteers, canopies by rental agency.
- Canopies and tents must be well anchored.
- Banners should be mounted on front or rear of booth only. Side mounting restricts ventilation and obstructs visibility.
- Keep your display within your assigned site. Keep your booth area clean and organized. Pick up trash around your area.
- We recommend no sales before 9 AM.
- NO CLOSING UP before scheduled closing times unless closing is announced by the Market Manager (e.g. for a NOAA-declared weather emergency). Note: On Artful Flea days and Holly Day, farm vendors with perishable items ONLY may close at 1 pm.
- CCA market area is a smoke-free environment. Smoking is permitted only in the parking lot.
- Vendors should be considerate of other vendors and customers who indicate that they have allergies or sensitivities to fragrances, fumes, etc. coming from your site.

- No vendors’ pets on site. Exceptions: Certified service dogs are permitted when approved. ESA (Emotional Support Animals) require a letter from a mental health professional or medical doctor on their letterhead stating the animal is important to your psychological well being. Caution patrons that pet leashes cannot exceed 6’.
- No animals, tobacco, alcohol, firearms or any illegal product or service can be sold.
- CCA reserves the right to evict anyone, cancel future paid reservations or restrict future event registration for any rules violations. “No shows” are also considered a rules violation.

**Important Notes for Food Vendors
(Farmers Market & Food Trucks)**

- Vendors are responsible for all appropriate labeling, licenses, product inspections, weights, measures and pesticide rules. Accuracy of scales/weights is the responsibility of the vendor.
- At all times, items sold in the Market must meet requirements of all applicable health and sanitation codes, as well as local, state, and federal agricultural requirements. It is the sole responsibility of the vendor to ensure compliance. Accomack County and the State of Virginia will make inspections of the Market
- Food and edible products vendors should contact Virginia Department of Agriculture, Consumer Services, for guidelines, certification and inspection details (757-363-3840).
- Vendors who will be serving food, beverages, or samples at the Market MUST obtain an annual license from the Accomack Co. Health Department and a Chincoteague meals tax permit.

A Guide to Selling Raw, Processed and Prepared Food Products from Your Home, at Farmers' Markets, Stores & Roadside Stands

Do I need to get inspected? By whom?

On the following pages Farm Market & Food Service Vendors will find the answers to these questions, which vary depending on the type of food product and preparation process used. The contact information for permitting and/or inspection requirements is on the back page.

FOOD SERVICE VENDORS

Those who prepare food on site at a Farmer's Market

Food Service Vendors, except those offering for sale primarily packaged food products or samples of such products not subject to Virginia Department of Health (VDH) inspection, must obtain a VDH food establishment permit. The local health department issues these permits and inspects food service vendors. Vendors who do not hold a food establishment or mobile food establishment permit need to apply to the local health department for a temporary food establishment permit and submit the applicable fee at least 10 days prior to operation.

Food Service Vendors must have:

- 1) An on-site warewashing set up that includes three basins: one each for washing, rinsing, and sanitizing. The appropriate strength of sanitizing solution should be used and confirmed with the appropriate sanitizer test strips. Wares should be cleaned and sanitized after use with raw animal foods and before use with ready-to-eat foods, including raw fruits and vegetables, or if they have been contaminated.
- 2) An on-site handwashing station is also required. Hands must be washed frequently including before beginning food preparation or putting on gloves; and after eating, drinking, smoking, using the restroom, handling raw animal foods, or whenever the hands may have been contaminated. Avoid bare-hand contact with ready-to-eat foods by using gloves, tongs, deli paper, etc. Don't work if you are sick.
- 3) Overhead protection for vendor operation is required (tent, canopy, awning, table umbrella, permanent structure, etc.). Food preparation must occur on smooth cleanable surfaces such as tables. Slicing must be done on cutting boards. Use wrapping or other effective barriers to protect from customer handling. Stored food should be in a clean, dry location, at least 6 inches off the ground.

TCS foods ** must be kept hot, at 135°F or higher, or cold, at 41°F or lower. Use a calibrated metal stem thermometer to ensure you are meeting the required temperatures. Ice should be drained frequently at an approved dump site.

**Time and Temperature Controlled for Safety (TCS) Foods: Please see important note in bottom right of previous page.
